Radam G says:

Is anyone really SURPRISED? If one of da Manny's jockstraps goes on sell, thousands of fans would turnout to bid. Don't ask me what the final bid would be. Pacmania is WILDING' like a mutha. Forget about the face value of the tickets. Some scalpers -- not me [lmfao!] -- will make some serious mad cash. Word from the scalpers' grapevine is that some tickets will be scalped for as high as $5,000 to $10,000. With Showtime taking over the PPV situation of da Manny, don't be surprised that the payouts will set all types of records. The delusion about Money May

being the BIGGEST draw in boxing will be exposed and shattered. Expect for da Manny to make upward of $55mil for the whuppin' dat he is bounded to put on the Sugarman, who will get his biggest purse ever -- maybe $16mil. Holla!
