HBO BOXING® PRESENTS A KNOCKOUT ONE-TWO PUNCH WITH A PRIME-TIME ENCORE OF **WORLD CHAMPIONSHIP BOXING®:**

TIMOTHY BRADLEY JR. VS. RUSLAN PROVODNIKOV, PLUS **ROAD TO RIOS-ALVARADO II**

SUNDAY, MARCH 24

HBO Boxing has a knockout one-two punch for fans of the sweet science, beginning with a prime-time encore of last Saturday's epic welterweight title showdown WORLD CHAMPIONSHIP BOXING: TIMOTHY BRADLEY JR. VS. RUSLAN PROVODNIKOV this SUNDAY, MARCH 24 at 10:35 p.m. (ET/PT), exclusively on HBO. The HBO Sports team of Jim Lampley, Max Kellerman and Roy Jones Jr. call all the action, presented in HDTV and in Spanish on HBO Latino, followed immediately by an encore of the revealing special "Road to Rios-Alvarado II." Both presentations follow the debut of HBO Films' "Phil Spector" at 9:00 p.m. (ET/PT).

In an extraordinary 12-round slugfest that had fans on the edge of their seats, undefeated Timothy Bradley Jr. (30-0, 12 KOs) successfully defended his world welterweight title against Russia's Ruslan Provodnikov (22-2, 15 KOs).

Immediately following the fight, HBO presents a replay of the special ROAD TO RIOS-ALVARADO II. The 15-minute feature looks back at last October's thrilling junior welterweight contest, when Brandon Rios (31-0-1, 23 KOs) stopped Mike Alvarado (33-1, 23 KOs) in the seventh round of a bout that was on everybody's short list of the year's top fights. In addition, the special traces both men's journey from hardscrabble neighborhoods to the highest level of the boxing world and previews their rematch, which will be seen Saturday, March 30 on HBO at 10:15 p.m. (ET/PT).

Both presentations are also available on HBO On Demand® and HBO GO®.

All HBO boxing events are presented in HDTV. HBO viewers must have access to the HBO HDTV channel to watch HBO programming in high definition.

deepwater says:

I watched it last night again I think it's on hbo on demand. Phil Spector is a sicko . Don't waste your time. Watch al pachino in serpico instead.
