Mike Tyson is back in training. Tyson is working out under the guiding eye of trainer Buddy McGirt in Vero Beach, Florida. McGirt has said that Tyson has been a model pupil thus far, doing his roadwork early in the morning and returning later in the day for conditioning and boxing sessions.

Rumors have been circulating recently that Mike Tyson has a bout scheduled for March, but McGirt said he expects Tyson to be in Vero Beach for a couple of months.

His return to training is an interesting development in the continuing saga of Mike Tyson, as just three weeks ago Tyson told the New York Post he may never box again.
