Said Dominic Pesoli, President of 8 Count Productions, "This is what we're all about at 8 Count. Our fans have seen David and Al numerous times on our shows and now they've become true contenders. They both got that way by fighting tough fights which continue on Friday night. Last year they both proved their talents fighting tough guys and now the stakes are higher. With David and Al we've created contenders, not pretenders, just like our motto and our upcoming show on February 25th continues that theme.

Super middleweight Oscar Bravo, 21-2 (18KO's) headlines the next installment of "The Best in Chicago Boxing" as 8 Count Productions and Miller Lite present "Night of Destruction" on February 25th at the Aragon Ballroom. The ten round bout is the featured bout of a terrific night of professional boxing.
