Mike Michael, advisor to Cestus Management's junior welterweight sensation "Mighty" Mike Arnoutis, has issued a challenge to top junior welterweight prospect Oscar Diaz on behalf of the Cestus Team.

Michael says "The Oscar Diaz and 'Mighty' Mike is a match made in heaven. Two of the best light welterweight prospects in the world, getting into the ring on live television and proving who the best man is!

"Team Cestus and myself understand that Diaz has a fight with Jesse Feliciano coming up in April. Everybody already saw what 'Mighty' Mike did to Feliciano back in October. Our team has nothing but respect for Dino and Lou Duva, as well as Diaz himself. We'd love to put our kid in there with Diaz and let 'Mighty' Mike show the fans what we've know all along: 'Mighty' Mike Arnoutis is the best young fighter in the game!

"Diaz has the Feliciano fight coming up in April. We've got a fight coming up in May. After that, let's get this done. Whenever people talk about the young guns in this division, the two names at the top of the list are 'Mighty' Mike and Oscar Diaz. Diaz only has one loss, he's never been stopped, he always comes to fight and he never quits. 'Mighty' Mike Arnoutis is an electric fighter, maybe the most exciting kid out there at this moment. You put these two in the ring, you're going to get a great fight!

"So let's make this happen! Give me a call, and we'll get the fight on! Dino Duva, Lou Duva and Oscar Diaz: We'll wish you good luck against Feliciano in April, and then after that, let's give the fans what they want to see!"
