QUOTES and PHOTOS FROM TODAY'S

SILVERDOME NEWS CONFERENCE

Gary Shaw This fight is called the Super Fight because they are the two best fighters in the world at 140 lbs...bar none. But I am going to tell you, and Devon, why my fighter will win. My fighter has beaten better fighters, has gone deeper into fights and won a title overseas. Timothy Bradley works harder than any fighter I have worked with in my whole career. That's why we will win the fight...you laugh Kevin. Kevin Cunningham talks great sh**...we just train hard.

Joel Diaz I want to thank Timothy Bradley and his father for giving me an opportunity one day and believing in me. Timothy Bradley is a great fighter and a workaholic. And on January 29 we will see who the best in the world is at 140 lbs. It will be a great night. A fight for the ages.

Kevin Cunningham This is the greatest division in boxing. I hear from Gary Shaw that Tim Bradley has beat all these guys, these great champions...who are they? Gary Shaw was right about one thing...right now Timothy Bradley is No. 1 and Devon is No. 2. But there is a problem with that because Devon doesn't like to be No. 2 and on January 29 he will change that.

Timothy Bradley I feel it will be me. He feels it will be him. I am not going to lay down and he's not going to lay down. It's going to be a great fight and you are not going to want to miss it.

Devon Alexander Hey Bradley...It's on baby, it's on. This is just another fight for me. It's a big fight for my career, but just another fight for me.
