FEB. 11 IS FIGHT NIGHT IN EL PASO

El Paso's undefeated David Rodriguez continues his assault on the heavyweight division on FRIDAY, FEB. 11, 2011, when the powerful assassin meets Ty Cobb at the Don Haskins Center in the most important battle of "Nino's" career. For Rodriguez, 33-0 (31 knockouts), training is winding down as the focus and intensity revs up. The Coronado High School graduate has incrementally removed all of the possible distractions from his life as Friday Fight Night approaches.

D-Rod has even shut down his social networking capabilities.

"I'm signing off of Facebook until after the fight," Rodriguez wrote on his status bar early this week. "Thank you for all of the support. I will see everybody on Friday, Feb. 11."

Rodriguez will meet Cobb, 12-2 (8 KO's), of Wichita Falls, Texas. It will be his first fight since a third-round knockout of Daniel Bispo in March.
