Last October, weeks before his astonishing 12-round unanimous decision victory over Antonio Margarito, Pacquiao interspersed his training in the ring with sessions in the studio to record the unforgettable iconic ballad *Sometimes When We Touch* with the same production team that brought the song to the top of the charts in 1977. With songwriter and original singer

**Dan Hill**

in his corner, and producers

**Matthew McCauley**

and

**Fred Mollin**

, Pacquiao delivers a passionate performance that shows the warmth and courage in the boxer’s heart.

Now one of the most-recognized names on the planet, Manny Pacquiao has been driven to
