Ok Jr, tip #1, have a rich, famous dad... JC Sr is looking a little worse for wear in that photo. All those years of late nights and getting punched in the face have caught up with Chavez. You gotta love Julio Cesar Chavez. Left hook to the body lifting Edwin Rosario's leg off the ground. A lot of good memories from the 90's. One of the best of all time. Huge respect.

I'll never forget the night that Chavez got dropped by Frankie Randall. One of the most shocking things I have ever seen in a boxing match.
