Melissa "Huracan" Hernandez is following Amanda Serrano's (10-0-1, 6 KO) progress like Dorothy on the Yellow Brick Road.

"Serrano said Maureen Shea needed a heart or something...I'm wondering if Amanda's not needing brain surgery," the outspoken Hernandez (14-2, 5 KO) said. "Look- why FLY some 2-4 Jennifer Scott in from Ohio when I can just take a damn bus to fight you- I heard you're looking to fight again in Atlantic City next month. Let's take a Brooklyn-Bronx fight to Jersey...two Puerto Ricans, the best fighting the best. I'm game...so let's see if you're a Cowardly Lion or you've got courage to fight me. My manager Brian Cohen is ready to do this. Get with him- 267-257-8957."
