Robert “The Ghost” Guerrero will undergo arthroscopic surgery on Tuesday to repair a partial tear of his left rotator cuff, said Mario Serrano his publicist. Guerrero was forced to withdraw from his fight against Marcos Maidana that would have taken place on Saturday Aug. 27, in San Jose. The surgery will be performed by Dr. Michael Dillingham at his Redwood City facilities at Sports Orthopedic and Rehabilitation (SOAR). According to Dillingham he expects a full recovery for Guerrero in six to eight months. Team Guerrero was relieved to hear the news.
