NEW YORK (January 18) **Joel Diaz, Jr.** is a featherweight prospect, always in top shape and ready to fight.

That call recently came from **ShoBox 19-Year-Old Diaz (6-0, 5 KOs)** who will be **Outing Rebelis** (7-0, 3 KOs) on Jan. 20.

The opening came when **Brandon Gonzales** was pulled out of his fight against **Caleb Truax**. Diaz will be replacing Gonzales.

"I was training to fight in **Woodlands** when I got the call," Diaz explained. "I could not believe the circumstances. I could not believe it."

Diaz' promoter, **Mario Yagobi** (Boxing 360 founder/CEO), has expertly moved this fight to **ShoBox**.

Diaz is fortunate he does not have to fight in the round. His last four fights have been in the first round. He will be appearing in the first round.

Just like a throwback fighter Joel Diaz, Jr. is, despite his young age.

Other members of Boxing 360 include **The Real Deal** **Serrano** Light Junior Light **Maurice "Sugar Moe" Harris** and **Armando**.
