More humbuggery bull\$hitology occultation for _____ and dey momma and her spoiled-@ss puppy Sue Ho. Hehe! Why doesn't HBO report something legit like all the PEDs and roids that trainer Demyon Hades -- I mean Angel Heredia -- has been feeding Crybaby Marquez?

Marquez's arse look like a too-short brown-@\$@ incredible HULK! Nobody and his big-belly daddy have to wonder where JMM got that quick-time bulk. OMFG! He is even knocking down and out his sparringmates. Rumors are that the bytchy crybaby is even popping speed bags and ripping punching holes through the heavybags and knocking out the stuffing. YUP, RIGHT! I know that HBO has had the audacity to show JMM popping speed bags in previous showings of HBO 24/7, but shame on that ____ if it shows him punching holes straight-up through heavy bags.

C'mon, HBO! Stay real! OOPS! I musta fo'got! It is too late for that.

Happy turkey day to all! Holla!
