Next week will be an interesting watch regarding the whole Fiddy Cent/MAYweather falling out. Word around the ring fire is Team MAYweather will be crashing in on Jmm vs PAcquaio to announce Floyd's next fight. Fiddy and his team will definitely be in the house with GAmboa so I'm expecting some sort of melee between the two. Get yo' popcorn ready...

### **Radam G says:**

As long as those fools don't start shooting, everything is gonna be all right on Pinoy night. We're gonna be outta sight. Neither Fiddy or Lil' Floyd will be able to stealthy da limesight. They will catch an Aispanic/Hispanic beatdown. Holla!
