One can see from that ectomorph torso that 3G is not on dat syet. Thus, Rosado has a shot to kick his arse. The judge will not be Hulk megalaser blinded. Holla!

It sure does have a TMZ or Kardashian feel around this website. Way to pull Bieber into boxing. Bieber looks like a girl and Miley Cyrus looks like a boy. Kanye knocked up a married woman with a big butt who is famous from a sex video. And Rosie O'Donnell just got a baby girl. Where did Rosie "get" her from? Some guy out there is the father no matter how Rosie looks. GGG is a famous German porn site, something about German goo.

Radam G says:

Hehehehehehehe! Deepwater is Da MAN! How does he come with up this genius deadpan straight-to-the-jaw, knock-you-on-your-@\$@ comedic reply to reality of life and the legal mayhem biz? Hahaha!

The "Threatre of the unexpected" is in full swing. And in this Universe, Deepwater can make it sing. The upside-yo'-head pugilistic music of reality he brings. Holla!

Wow Golovkin looks like he could play the lead in Forrest Gump II when he's in his civilian clothes..So innocent looking,... nobody would ever know he's packing twitch muscles that look like corded steel cables. I see a new interview from Gabe Rosado every day where he's telling the world he believes in himself,....he believes in himself,..and he believes in himself some more.

Keep saying that and don't stop... till you enter the ring... maybe he'll last longer than Proska. Guerrero says all things are possible to him who believes... So I sincerely hope Rosado can give a good representation of himself while it lasts.

Golovkin on the other hand can't seem to keep that big smile off his face.
I give it 7 rounds or less. (as long as GGG keep respecting the game)

GGG is gonna be as big as Broner, Mayweather, and Canello after a few fights (and in demand)... it's rare you see a boxer who literally doesn't say no to anybody.....anyone can get some of GGG..... dare to believe.

But Don't worry if the fight is short,.. the undercard is excellent.

the Roast says:

Not seeing the Bieber resemblance.

I'm seeing Kostya Tszyu when I look at that photo minus the cheesy pony tail.
