Styles make fights. One thing for this year, 2013, is that I made sure that our matchmakers and everyone involved know that we need and we want exciting, exciting fights. Radam G says:

Matthysse is dangerous. Dallas is reckless and showy. If I were pushed to select a winner, it would be Lucas Matthysee by stoppage. But in the theatre of the unexpected, only the boxing gods know for certain. Holla!

brownsugar says:

If Dallas still has his legs and keeps moving he has a slight chance to out score Matthysse, trouble is,.....I've seen him gas in the past... I got Mattysse applying too much pressure and eventually breaking Dallas in the later rounds.

Schteeve says:

Mattysse should score a knockout over Dallas in the early stages of the fight.

Book it.

dino da vinci says:

The total is 5 1/2 rounds. I like the under.
