We have in our possession boxing gloves signed by Arthur Abraham, Robert Stieglitz and Robin Krasniqi. I'd like rabid fans of each to receive these momentos. So, the first rabid Abraham fan, the first crazed Stieglitz fan and the first hardcore Krasniqi fan to email the editor at Fightwrite@gmail.com, with the subject line "About those signed gloves" gets the goodies.

Oh, yes, to prove your devotion please include a bit of trivia about each man that only a true-blue fan would know!

Bernie Campbell says:

Was present in one of Robert Stieglitz's only two American Appearances! Witnessed Robert decisioning Marlon Hayes in Atlantic City in 2007! In addition to Stieglitz beating Arthur Abraham, hes beaten top European world class fighters such as Khoren Gevor, Karoly Balzey, and Edward Gutknecht! He has losses against Librado Andrade and Alejandro Berrio! Stieglitz is a pure boxer with command in both hands! He has a Kayo ratio of 53%. Although he has a German surname he hails from the former Soviet Union!
