

SMS PROMOTIONS AND DIBELLA ENTERTAINMENT ANNOUNCE UPCOMING CARD

"BIG APPLE BOXING" AT RESORTS WORLD CASINO NYC

MONDAY, SEPTEMBER 16 - JAMAICA, QUEENS

New York, NY (8/27/13) - On September 16, Curtis "50 Cent" Jackson's SMS Promotions and DiBella Entertainment (DBE) will host a special Monday night of boxing at the beautiful Resorts World Casino NYC in Jamaica, Queens. Titled "Big Apple Boxing", it will be the firstcard staged by both promoters at the recently built casino, located in the same area of Queens in which 50 Cent grew up and began building his business empire. The card will feature a number of top up-and-coming talented prospects from both SMS Promotions and DBE, including two future stars that the companies have just signed to exclusive co-promotion contracts.

The two main bouts will feature SMS-promoted Mark Davis (17-0, 5KO's) looking to keep his undefeated record intact and continue climbing the lightweight world ratings, and DBE's super bantamweight contender Luis "Orlandito" Del Valle (17-1, 12KO's). Both bouts are scheduled for eight rounds.

"I aim to deliver the most exciting fights possible. 'Big Apple Boxing' on September 16 will bring together extraordinary talent. The action will be intense," stated 50 Cent.

Personally I don't have anything as witty as Bernie's cryptic comments to contribute but I'd like to see more of the smaller promoters become successful
...these are the guys who are going to bring boxing to professional-boxing-starved-venues like Columbus Ohio, and fill the void overlooked by monopolizing promoters like GB & TR.

Medina is nice from the outside, but on the inside its full of entitled, condescending kids....i moved there when i was 12 and they didnt like the fact that i was a good athlete and got mistreated and cheated out of some opportunities for it.....my regret, i only beat up like 12 kids there, when it should have been about 100...
columbus is much better, i visit c-bus about 3x a year...

Radam G says:

Wow! Buckeyes! Hehehehehe! I know them, and I know so bugeyes, too. B-Camp be buggin!
Maybe he needs a bit of huggin!' Hehehe! Holla!

Remember we're all paying the freight for this nonesence Brownsugar! We should have total say in a democratic way how this business is conducted! Rodney Allen Rippey! Small enough! They have to take that cat out of exile hes been so obscure! But Why not? He probably would bring more to the table than any of these friscoes you got now! In addition the guy would be so credible people couldn't stand it! Who would you really trust, Jackson? or Rippey! Obviusly capital wasn't important to the Rod!
