Rios does not know how to act, feel or behave.

for one he KNOWS he is in over his head (he is just trying to say the right things)

secondly he feels like an A-hole for mocking Roache, which i find to be a disgusting and disturbing event.

how one mocks and makes fun of a person with a disease/medical condition is beyond me.

Rios is a grown man and he

WILL pay for mocking Roache.

PAC is gonna bust his body and face up so bad he wont fight for a year.

I cant wait to see it
