But his game is not that tight. In a couple of rounds I expect for him to be on the canvas -- looking as one pathetic sight.

If he is not badly hurt by round two, I suspect that he may do a foul or two to get D'Qed. Expect for those gang of thugs with him to scrap with everybodee and dey momma in and around that squared jungle. The lead instigator will be Alex Ariza. If and when you see a fist-na-rapido smash straight in to his ugly mug, know syet happens in plain sight. Hehehe! Holla!
