Wow! Da Manny has been a Christian his whole life. It is about time to drop his religion gig and get with the fight gig. For all you know nothings, God is a fighter and whup-a\$\$ himself/herself/itself whichever one fits. God Beat da hebejeebeez out Satan and threw him in hades. God Got Tired of humans fudging with him and flooded the part of the earth in which they stayed. God Even Got Tired of His Son Crying like a Bytch and let those Romans do His Holy Arse in.

Don't let me start on God, because TSS reader Isaiah is no longer here to slow me down. Good and bad, nice arse and mean arse have always cohabitated. Even in GOD! Let Da Manny be God-Doing Jive outside the ring, but inside it, we want all the hellfire that comes outta hades. Put a devilish whuppin' on the Cali Cranium Crusher. Holla!

brownsugar says:

the church I attend (admittedly sometimes) has deployed ministers to missionary posts kept alive by church dollars all over the world,.. from the West Indies to Himalayas, Our Pastor/Appostle was a promising amateur wrestler in college(a communications major) was potentially on his way to the top when he suffered an injury and dedicated himself full-time to the Ministry. Today he travels the world mentoring pastors and preachers the world over and is currently living a far richer quality of life than sports could have ever given him. He's an amazing guy.

Who knows what Pac might be able to accomplish if he goes into the ministry full-time? There are far worse choices he could make.

Anyone who has turned there life over to God is a winner to me.

It is all over hype for da fight. Just BS coming from HBO 24/7 bullsh*tology and super promotion machine. Da Manny will never become a minister of religion. He may get a ministry post in government. Wow! I wish that TSS reader Isaiah was still hangin' and kickin' with us. He'd be going buckwild and Jesusfully spittin' about _____ being laid on Da Manny to promote an easy arse thrashing of "Desert Fox" General Omar -- I mean "Desert Storm" Tim -- Bradley. Holla!

Moment of silence for Isaiah and the other lost brothers.....on the other hand, I never liked Isaiah and he may not be dead. Indiana douchebag... Remember how mad at me he got the night Floyd beat Mosley? He had no combacks so he told me to ***** off which got edited out. Ahhh good times.
