I'm rolling with Mikey G and "The Filipino Flash." It is hard for me to pick between Vanes and BooBoo. Neither stands out with the "It factor." Maybe a draw. Holla!

I respect Martinez as a boxer...but his haphazard, 3 yards and a cloud of dust, awkward style of fighting makes the left and right hemispheres of my brain hurt just watching him. If your going to barely win every fight ...going the distance every timeat least look good doing it....Garcia will surely relieve this guy of his title.

Andradae is the better boxer...and more physically gifted....but he throws a lot of butter punches. Vanes is more basic but he's durable' solid and tenacious. Andradae will have to be consistent for the full duration to win.

Vic D is still fighting???? ... Used to love his snide comments accompanied by that evil sneer ... But that was a while ago..... this fight will be Deja Vu and just another paycheck for Evil Vic... They say you meet the same people going down that you met coming up.

Shoulder Roll Defense says:

Nonito, Garcia, and Andrade. Andrade is going to be a force to be reckoned with at 154/160 for a long time. Nonito should be ashamed of himself fighting Vic again. For what? He needs to redeem himself by fighting Rigo again. Rigo could probably beat Donaire, Garcia, and Martinez all in the same night.

riverside says:

skill wise, Mikey is a light year ahead of martinez, Tko inside of 6 rounds.

brownsugar says:

I hope so Riverside

amayseng says:

garcia and nonito both by KO,

the third fight i am up in the air about

solid card overall though

Bernie Campbell says:

Theatrics and Bul Sh.. Aside! Vic was the Lord of the Flies! Headed to Pong from Thailand, the Mexican Cowboy! Donaire whacked him! Mr Crabbs has had that in his craw all this time! Hes worked ever so carefully and methodicly to get his rematch! Donaire is good! But I have never seen him spectacular against anyone! Considering Donaires obligations, and the wind that blows! and the top ten ranking and the unholy sanctions in the form of capital, and politco w the east! Vic is 40+, I go with Vic in 6! Cause Donaire is an unstable type of demeanor!

Donaire is American, Major sh... went down yesterday in his parents homeland! Im really not gonna buy into the hype and drama! Didn't help Berto that much! Keep note of the ref, the judges, the sponsors, and the ring announcer! The banter of the announcing, (IM fair but Im firm?)! Cmon off the complete paint job by the Cuban! Friggun Lederman sold out long ago! Somebodys gonna slip a Mickey! How bout the Armenian, Russian or Australian National Anthems? Whose in the audience? Klohe Kardashyan, Commishoner Kelly, Eli fcn Wallach? Wheres Sam Watsons silly a**? Is Max Baer jr gonna get Tbone a free ticket? Lt. Governor Duffy and Andrew! They should have had this fight in Ankora! Nevermind the redundant Shies! I give a thumbs down from jump street if it aint Kosher!

Lets get ready to
rumble!

amayseng says:

I always appreciate a B-camp presence.

Bcamp, nonito has had some spectacular ko's no?

should be an entertaining card overall

it shall go good with the alabama lsu game as i switch back and forth.....go bama!

SouthPaul says:

Lmfao@ Bernie's rant. Eli Wallach's Tuco character in Good, Bad, & Ugly is an all time classic.

Rocky Martinez looks like a cleaned up version of Richard Night Stalker Ramirez.

I have no predictions on these exhibitions. Crossing fingers for an upset. For the thrill of it.

Radam G says:

B-Camp, "The Filipino Flash" is a Filipino-American, or what we Pinoys call: "Fil-Am." He was born in the P-Islands and didn't come to the U.S. mainland until he was 10 years old. He has dual citizenship. He was nationalized as an American citizen at 15 years old. TRUST me! He is very Filipino, PROUDLY as he is American. I, myself, am multi national.

BTW, it is no "hype and drama" of the devastation that has happened here in the P-Islands. Neither were it "hype and drama" of what happened in Haiti.

Just go right ahead, B-Camp, and be one of the "Friscoes" that you so much post about. Holla!

Radam

Is it possible B Mack might really be Angel Garcia?

Radam G says:

NOPE! Pops Angel G is a saint compared to B-Camp. PAG is a bit crazy. B-Camp is as mean as a grizzly. Holla!

LMAO!!!! I just went through Bernie's history. This dude is the man. Pure laughs.

One comment went something like this: "You talk too much sh*t! You have no coherence! No organization! I understand nary a word you say! You sound like the guy that goes to a basketball game and gets the facts from the guy sitting next to you! Where's John McMacin??? Sugar Nikolay Valuev is the truth and Andrian Broner keeps the powers in check! I propose segregation!"

He's the friggin' MAN! And he's obviously aware of what he spouts. I love it.

Radam G says:

YUP! B-Camp loves shaking and baking up the Universe. Holla!

brownsugar says:

Bernard is truly a one of a kind treasure...
