Adamek Open Workout in Wroclaw, Poland

Tomasz Adamek participated in an public workout today at Magnolia Park Mall in Wroclaw, Poland. Adamek was warmly received by a crowd of over 500 of his loyal Polish fans, and answered media questions after his workout.

In a blatant continuation of his ongoing attempt to bait the imperturbable Tomasz Adamek, Vitali Klitschko breached the security agreement his own team designed regarding the open workout today. Klitschko skipped his own grand entrance in favor of an intimidation tactic that clearly did not affect the Polish favorite. Arriving in the middle of Adamek's public workout, Klitschko sat with his entourage at ringside to observe the simple demonstration Adamek performed for his fans. Adamek did not feel it necessary to reciprocate by remaining for Klitschko's workout.

the Roast says:

The bell tolls for thee, Grave Digger Adamek. My prediction is Adamek quits on his stool after the 10th round because his face will be busted.

ali says:

Wow!! I think Vitali is little worried about Adamek.

Condor says:

I could be way off on this, but I think Adamek will have some moments today. Pull off the upset? Can't go quite there (although I'd welcome it, as Adamek is a true pro), but I'm appreciating this battle much more now than before. If TA's too brave and reckless, he'll get KO'd. But if he can avoid walking into a bomb, who knows?

My prediction is Klitschko by stoppage in 7 in a bruising, mini-war type of fight.
