DEVON ALEXANDER "THE GREAT", Former Two-Time World Champion

"These last few fights at 140 pounds were hard for me to make weight. I'm going to be stronger and faster at 147.

"Maidana is coming to tear my head off, but I'm going to be ready, 110%."

MARCOS "EL CHINO" MAIDANA, WBA Super Lightweight World Champion

"I'm excited to fight in the United States again. This is the Mecca of boxing.

"I dedicate my life to boxing and I'm taking this fight very seriously."

ADRIEN "THE PROBLEM" BRONER, WBO Junior Lightweight World Champion

"I've been coming to St. Louis since I was 8 and Devon is like a big brother to me. Fighting here is going to feel like I'm at home.

he's playing boxing. I box for real.

"February 25 there's going to be a 'Problem' and I will be victorious."

ELOY "PRINCE" PEREZ, Undefeated #1 Rated WBO Junior Lightweight Contender

"I want to thank Adrien for giving me a shot at 'The Problem.' I'm excited to fight for the world title.

"I have one message for Adrien, I'm not a bean burrito kind of guy, I'm a lasagna kind of guy."

DAVID ITSKOWITCH, COO of Golden Boy Promotions

"We have all the makings of a great fight in this main event. You have to have great fighters to make a great fight and we have two of the best in the game today.

"When fighters move up in weight class, most of them dip their feet in the pool, but these guys are diving right in by facing each other.

"The co-featured fight could possible steal the whole show on February 25. You don't see a lot of young, hungry fighters that are both undefeated fighting each other these days."

KEVIN CUNNINGHAM, Alexander's Trainer

"We're bringing a killer into Devon's hometown who is going to try and take him out, but that's the business of boxing. Devon is going to slay the killer on February 25."

SEBASTIAN CONTURSI, Maidana's Advisor

"We are happy to be here. It's been a long road with the cancelation of the Guerrero fight, so Marcos is very anxious to back in the ring. As usual, we will bring a war to St. Louis and, as everyone knows, Marcos always delivers!"

LEVI SMITH, Broner's Co-Trainer

"We came here to defend the title. We're going to show you fireworks and give Eloy a boxing lesson on February 25."

SAM GARCIA, Perez's Co-Trainer

"This is what we have worked towards for many years. This is a great sports city known for its world champions, so what better place to win our first world title than in St. Louis?"
