Sugar Shane Mosley, Six-Time Three and Division World Champion

"The haters are what keep me motivated. Domination is on my mind. I want to be the best I can be and showcase my strengths.

"I feel young, but I have the wisdom of an older fighter.

"Canelo will be surprised when he's not fighting the 40-year-old he thinks I am.

"Some media members might be overlooking me because of my age.

"I'm considered an underdog. I like being the underdog and proving people that I am not.

"I'm not going to rule the fight, I'm going to dominate.

"I will be the first fighter to beat Canelo."
