the ring-- and one look at his resume proves he is one of boxing's greats: Aside from having been the undisputed heavyweight champion, Tyson holds the record as the youngest boxer to win the WBC, WBA and IBF world heavyweight titles. He was the first heavyweight boxer to hold the WBA, WBC and IBF titles simultaneously. In 2011 Tyson was also inducted into the Boxing Hall of Fame. Tyson's enduring mass appeal owes not only to his incomparable athleticism, but to his huge personality and unrivaled showmanship. And his ability to work a crowd extends far beyond the ring- Tyson's career in entertainment spans blockbuster movies (The Hangover and The Hangover 2), television (the Animal Planet's "Taking on Tyson"), and his own clothing company (shirts are available on his website). Tyson is also the CEO of his own production company, Tyrannic Productions, and currently has a few film projects in development.
