### **Radam G says:**

I'm rolling with Mickey G to an easy victorEEE! Maybe by round three. Holla!

### **ali says:**

Salido I'm not impressed at all with Garcia.

### **Shoulder Roll Defense says:**

This is a good test for Mikey, but he should win. Salido is tough, so the fight will go the distance, thus my prediction is Mikey by 12 round UD. Salido's punches are wide and Mikey is a well taught technician, therefore look for him to take advantage of Salido's technical flaws.

### **ultimoshogun says:**

I agree with SRD, this will truly test Garcia's mettle as Salido is as tough as they come. However, I think Garcia, being the more fundamentally sound lands the bigger shots throughout the fight to win a tough decision...should be a real dogfight!
