LAS VEGAS, NEV. (December 7, 2012) – The people have spoken and they voted unanimously for Saturday’s welterweight battle between

MANNY PACQUIAO

and

JUAN MANUEL MÁRQUEZ 4

-- Act Four of their exciting and historic rivalry. Hall of Fame promoter

Bob Arum

announced today that the MGM Grand Garden Arena and its 16,000-plus seats have completely

sold out

, producing a

live gate in excess of \$10.5 million.

“Manny and Juan Manuel may have unfinished business in the ring, but as far as the live box office, it’s business as usual – another sellout,” said Arum. “I encourage boxing fans in Las Vegas to go to their favorite MGM Resort International property to purchase their closed-circuit seats today because the projections are looking like a sell out there too.”

Pacquiao vs. Márquez 4 will be available via closed circuit at the following MGM Resorts International Las Vegas properties: ARIA, Mandalay Bay, The Mirage, Monte Carlo, New York-New York and Circus Circus. Tickets are priced at \$50, not including applicable service charges. All seats will be general admission and will be available at each individual property’s box office.
