Both Parsley and Rosa, have been featured on the *Broadway Boxing* series multiple times already in their young careers, but the bout on the 23

will be the first appearance on the series for the highly touted middleweight Russ.

The 25-year-old Russ joined the DBE roster late in 2012, and in his first bout under the promotional banner scored a first round annihilation on *ShoBox: The New Generation* over previously undefeated Jonathan Cepeda (12-0, 11KO's). In his previous bout, Russ scored a fourth round TKO over yet another undefeated prospect, 13-0 Jose Alonzo. Russ is looking to kick off what he hopes to be a breakout year with another impressive performance on the 23

.

Rosa, a native of Caguas, Puerto Rico, but now living and training in New Haven, CT, scored an impressive sixth-round TKO over Victor Valenzuela in his last bout on the HBO *Boxing After Dark*

undercard on September 29 at Foxwoods. At just 21-years-old age the super bantamweight Rosa is truly one of the bright young stars on the DBE roster.

The *Broadway Boxing* series is the longest current running series in boxing and has included appearances in their early careers by such former and current world champions, Paulie Maglinaggi, Andre Berto and Yuri Forman, just to name a few.
