Radam this is a great thing.

There are cancer patients that need help.

And we can help.

People can help but have not been educated how to.

This is a great way to pass the word.

I hate that F'n disease!!!

Radam G says:

I have nothing against helping for cancer or any other illness. My problem is boxers who claim that God Is On their side and against the other human being. Why do these types of boxers pull that jive? God Didn't Help Jesus against those d@mn Romans. Jesus was sold out for 30 pieces of cheap Roman silver. But now God Is Going To Help The Cali Holy Ghost against 30mil-cheap-dollars-getting Money May and those Sin City stanks -- I mean Yank?

Pat Robinson -- I mean Robertson -- is going to claim that he spoke to God and God said that the Cali Holy Ghost is going to win by kayo. Holla!

amayseng says:

I hear ya.

I'm hoping the ghost is using his faith as a platform to help spread the word on helping conquer cancer with the faith of God putting him in this position

I'm with ya God doesn't choose sides during a competition or sport.

It's a free choice life it wouldn't make sense.

That's not exactly correct RG. JESUS was born to be betrayed, sold-out, and crucified on the cross for the salvation of mankind. It was his purpose, his goal in life and he spoke of it often.

Amaseng.. You don't have to wait for Guerrero's foundation to gain traction. You can a catalyst for change by spreading the word yourself.

The revolution is already in motion and will not be televised.

People who live in "low tech" countries hardly ever get diabetes, cancer, or heart-disease because they eat natural foods.

Once they migrate to the United States and start eating our genetically modified and highly processed foods they get the same diseases the rest of us get.

If your on Facebook subscribe to "Osteopathy health news" and "Juicing Vegetables" for news tips and updates...spread the word.

YesGod loves a fair fight.. But he has also given to each man a measure of faith and with faith the size of a mustard seed, a man can move mountains.

You can use your own faith to accomplish the impossible IF you believe because God has placed a little bit of himself inside all of us Even Floyd and Gurerro

Ask reverend Paqman ... He'll tell you the same.

I'm betting a hundred on Guerrero and I never bet on fights. Because all things are possible in the world of Boxing... Just watch and see brother and you to will believe.

Either way it goes.... It'll be a fight like no other.

I hope Floyd wins this one but I think the Boxing Tyrant may be meeting his Waterloo this time.

amayseng says:

Thanks for the FB link B sug ill check it out.

I was thinking about throwing a grand down on the ghost with those 9-1 odds.

But I will prob chicken out.

I never gamble.

Never have.

Was taught not to.

But those 9-1 odds and Floyd being so inactive and at 36 just entices me.

Radam G says:

Everybody is going to always have an opinion. And it is going to be affected by your upbringing or forced-upon religion. I guess that we are born for something. I was born for O-P-P. Y'all know me! Hehe! Poor Jesus! Everybodee and dey momma have umpteen reports and made-up

stories about his purpose, his goal and what he spoke.

To this Catholic that Jew Jesus Didn't Know what was going to happen or He Would not Have Been Daddy Crying, Cussing Out Fig trees, Beating the holy hebejeebeez outta gamblers, Marching into Helldom and Fudging up Lewy and Ready to put the beatdown on fools for messing with his ho, calling her a liar and wanting to stone her.

I say leave Jesus and all the other _____ outta boksing. And I'm going to talk syet. That's boksing. Holla!

Has nothing to do with my upbringing RG.. It's in there multiple times..... JESUS's words not mine.. All you have to do is open the book. ...but when you pretend to know something that you clearly have no knowledge of... Dont cop a tude or act insulted when someone points it out. Any arguments you have about the bible you can take up with the author. Don't bring up

Radam G says:

Once again it depends on upbringing and jive that you were forced fed. During the times of Jesus, there were many others claiming to be the real Christ. I have no time for the mythology, make believe and nonsense of Jesus Christ.

I'm down with actuality, reality. miracles and proof based on foolproof religious science and nature science. My so-called insulting of anybody is not my intentions and/or desire. If the heat in the kitchen is too hot, one should step out without starting conflicts because of lack of understanding the intentions.

BTW, nobody can insult with me about their opinions. It is their belief. I can understand that everybodee and dey momma are creations of circumstances. And nobody can read my mind.

I would go Hebrew on you, and holler "to each his own." But Jesuit Nun (Sister) Maribeth got

me back in the day for being a hotdog, so I just stick with being a Topdawg -- BOW WOW!
Holla!

brownsugar says:

OK Top dog... Like they say in the south... A hit dog will Holla' everytime.

deepwater says:

Hey man I believe in the Creator. He gave us the best gift of all= free will. no one wants a god like the golden calf, or horus or the scientolgy alien gods, or lucifer. those rotten gods tell you it yolo. you only live once. science proves otherwise. dna proves a creator as does physics. energy can not be created nor destroyed only changed in form. what happens when the electrons in your body stop moving? at 63.73 kmhrtz the net charge of your body sure does not just disappear into nothing. code must be programmed it can not be random. dna=code. the pharises that killed Jesus never went away. good vs evil all day everyday. whether you belive in god or not you can not prove god does not exist.

bigstinkybug says:

[COLOR="#B22222">* wow... [/COLOR]

Radam G says:

That is true about a "hit dog," but not a hit dawg. But then again, they tell a lot of BIG TALES in the South, I heard. Hehehe! Beside, a "dog" is the kanine. A "dawg" is the down-with-da-haps human.

Clinton Jackson was from Alabama, and he could get down with the BIG TALES. Bernard Taylor was from Tennessee and he could get down. Jermain Taylor is from Arkansas, and he can bullsyet you like no one can. Andre Berto is a Haitian born in Florida and he can roll with it.

Hahaha! I love 'em because they are just bullsyeters. Never going wacko with life, because it's time to fun, babeee! Life is a bytch and then you die. Haha!

I will holla at Jes on da deadside. But on this side, it is my free will and freedom-of-thinking ride. Everybodee else and dey momma can catch an ocean tide. I'm down with the O-P-P pride. Hehehehe! And not behind God, a god or a man will I hide. Holla!

SouthPaul says:

Just watched the piece . Typical stuff out of Guerrero. They talked up cancer-- bit of boxing -- lots of god. I believe Guerrero to be a genuine follower of his lord savior and I also believe they sincerely want to promote both the fight and cure for cancer. Good people but god for every response , that my friend , gets annoying . Pat Robinson asked him how he stays in shape..And it was at that moment he once again handed it over to God. I ain't knocking or mocking just find

it frustrating he didn't elaborate on his physical regime. Robinson clearly was asking about that, not God.

Radam G says:

@SouthPaul and B-Sug. You guys keep posting Pastor Robertson's name as "Robinson." Dat shady preacher is no namesake of Sugar Ray Robinson, Jackie Robinson, Oscar Robinson or Smokey Robinson or even the Outer Space Family Robinson and their crazy-@ss robot: "DANGER! DANGER! Will Robinson! DANGER! DANGER!" I mean SouthPaul and B-Sug.

Pastor Pat could not wear their jockstraps or walk in their shoes. He is too busy pretending to be walking in Jesus Christ's sandals. Holla!

Thanks for pointing that out RG but I don't think I'll have to ever spell the mans name again after today. I thought Pat Robertson was retired.... Didn't even know he was still on TV.

SouthPaul says:

Typo caused by my iPad. I'm very familiar with all these televangelist bozos. My grandmother use to have them on every Sunday morning. Barf.
