**Sherman Oaks, CA (March 26, 2013)** - "I've been working on my usual aggressive power punching style and focusing on waist and head movement. It has been a year since I have last fought and I am feeling anxious to get back into the ring and shine on HBO," said the WBC's #1 world ranked heavyweight, Chris Arreola. "I'm ready to fight for and claim the top spot in the world in the heavyweight division and that includes the current world champions. I'm ready."

Added trainer Henry Ramirez, "Chris has been back training hard and preparing for the challenge that Bernane Stiverne presents, great hand speed and good punching power. Be assured, Chris will be ready for everything."
