deepwater says:

sure hope that there is not too much dancing in this fight. was at radio city when roy beat up his girls brother ,lou del valle. weird set up to watch a boxing match, sort of like the msg theater but better suited for a classical concert or play. fun though. donaire meets the rockettes is all you need man. the Astaire thing? radam will get a better rhyme in a few.

SouthPaul says:

I got a rhyme for brother Radam. Donaire will require the stool chair then from there he'll be rushed to NYC medical care.

It's a wrap for Nonito. Rigo time!

SouthPaul says:

Rigo's hungry, he won't be denied his food. I like Noninto but he's doomed this weekend .

Radam G says:

Rigo is going be hit with a hook, a straight and a bolo. Then his @ss is going to deadman drop, while imaging that on his cranium is a halo. The bytch is going to fly, hop and run around dat squared jungle as if he has angel wings. On his arse, "The Filipino Flash devilish bolo shot sings. A serious thrashing, TFF always brings. Holla!

SouthPaul says:

Lmfao. Donaire will be the paddle to Rigo's 90 mile raft ride. From round to round the Cuban will reflect on his life struggle . Cuban nightmare to the American dream. Down goes Nonito in a flash to the canvas he will crash. His wife will cry out comes the fake colored eyes . Holla'.

Hehehehe! Funny as heck. But The Filipino Flash is not going to poke or peck. He is going to crash Rigo's raft and dream and cause a serious metaphoric on-the-seas wreck.

The aged Jamaican-Cuban, who is somewhere around 39 to 50 years will be on the canvas staring into space, while his abandoned wife in Cuban will be watch a 1950 big-tubed television shouting in Cuban Spanish: "Bueno! Tu eres pendejo Rigo!"

Then she will shout in Jamaican English: "Gat whad yo bytch azz git, MON! For leafin' me and all yo' children, MON!" Holla!
