Radam G says:

I'm looking forward to J-Lamp's upcoming show, especially on VADA CEO Doc Maggie Goodman.

Stupid-arse Alex Ariza is already causing trouble. He is claiming that VADA is constantly test Bam Bam Rios, but not Da Manny.

Ariza just always find some type of way to get himself a headline. What a starved-loves-to-be-in-the-limelight BYYTCH!

VADA is all up in the P-Islands gettin' on its testing of Da Manny. So Team Rios ought to fired Ariza for straight-up making up syet. This glorified waterboy cannot stand the pain of not being thought of as the maker and breaker of the fighting best.

Ariza! Give it a rest. You are a disgrace to these Johnny-come-lately "Condition" coaches/trainers in da game. Holla!

amayseng says:

Ariza like a high school girl, always causing unnecessary drama and trouble

Radam G says:

Boxing scribe G Montoya has straight-up busted Ariza for lying about Da Manny not being tested for dat syet, and Fighthype making syet about VADA and Da Manny. Wow! The game is so full of skunks and weasels perpetrating frauds. Holla!

amayseng says:

Ariza has a big mouth, i am surprised Roache didnt smack him around at some point, seriously..

Fighthype is biased, I stay away from that site.
