Mr. Broner I was wondering if you have the same discourse I do on the Supreme Court Ruling of Brown vs The Board of Education! Im a big fan and Ill be watching!

### **SouthPaul says:**

Thats pretty funny, Bernie Bizzaro, but I'd keep it simple and ask him what he weighed when he went into camp, how much he gained on Thanksgiving day & how much he weighs now. Exciting year for Broner ...bet there's been a lot parting.... And Maidana may expose that.
