North Bergen, NJ (August 9, 2011) - Global Boxing is proud to announce the launch of their new boxing promotion series entitled Global Boxing Series, a string of four events to take place at Global Boxing Arena in North Bergen, NJ. The first four events are scheduled for September 24, October 15, November 11 and December 10. Each show will start at 5PM.

"The Global Boxing Series will give emerging local talent the opportunity to shine and make a name for themselves just like in the old-time club shows of the '40s and '50s," said Global Boxing CEO Mariusz Kolodziej.

The first event will be headlined by undefeated junior lightweight prospect Kamil Laszczyk (3-0, 3 KO) of North Bergen, NJ by way of Wroclaw, Poland.

The shows will take place at the Global Boxing Gym location, which will be converted to a fight venue for the day to seat a capacity of 500.

Global Boxing can be reached via NJ Transit bus lines 83 and 127, and is in walking distance from the Hudson-Bergen light rail station on Tonnelle Avenue.

Bouts will be announced soon.
