The *FIGHT CAMP 360°: Inside The Super Six World Boxing Classic* camera crews continue to shadow Ward and Froch along their paths to The Final – from this summer’s international press tour to the fighters’ return to training camp and the cut Ward suffered during sparring that forced the postponement of the world championship unification.

For two years, *FIGHT CAMP 360°* has elevated behind-the-scenes sports dramas to a different level. The tireless SHOWTIME crews have revealed the most intimate moments in the lives of these boxers both in and out of the ring. As the stakes couldn’t be higher for Andre, Carl and their respective teams entering The Final, show producers indicate that the final episodes will deliver even more intensity.

To maximize viewership for the series and exposure for The Final, SHOWTIME has programmed the upcoming two episodes to immediately follow the Emmy® Award-winning premium cable staple
