

November 13, 2012 - Gary Shaw Productions, in association with **Grange Old School Boxing Promotions** and **Black Venom**

are happy to announce the date and location for the epic IBF Middleweight championship bout between

Daniel "Real Deal" Geale

(28-1, 15 KOs) and

Anthony Mundine

(44-4, 26 KOs). The

Sydney Entertainment Centre

in Australia will host the larger-than-life rematch on January 30, 2012.

"In all my years in boxing, this is the biggest fight in Australian boxing history and we are delighted to be able to bring it to Sydney," said **Gary Shaw**. "This city has a proud history of staging big fights and let me assure you they don't get bigger than this.

Daniel Geale

is considered to be, by many, one of the best Middle Weights in the World, after winning 2 World Titles from German Fighters on German soil. Daniel is desperate to avenge his controversial loss to Mundine in 2009."

"For Mundine, this is an opportunity to not only claim a fourth world title, but also put on a show for the millions of fans who will be watching this fight around the globe. This is a once in a life time fight that will captivate not only fans in Sydney, but across Australia and the rest of the world. I'd like to thank Destination NSW for their support in bringing this fight to Sydney and look forward to working together to ensure the event becomes a truly memorable sporting event."

"I'm happy we are able to move forward with the promotion now that we have a date and venue sorted," said **Daniel Geale**. "The Sydney Entertainment Centre is a fantastic place to hold this fight. The whole country is talking about this fight and I can't wait to put Mundine in his place after all the trash talking he's been doing. I encourage everyone to get their tickets now because January 30th will be a night to remember."

"This fight is going to be a blockbuster event for the people of Australia and I'm expecting an explosive night of boxing," said co-manager **Garrie Francisco**. "My partner Bill Treacy and I are excited to be part of this historic event."
