I be watching from Manila. Come September, Money May is gonna whup da superhype in a none thrilla. Holla!

Radam G says:

Money May, Showtime and GBP are trying to outdo the PPVs that Da Manny, HBO and BobFather's TR are to do in November. But it will be to no avail. That ship will not sail. The moola and the fans will world-wide rain on Pacquiao-Rios Bout like hail. Money May-Canelo Bout is going to lose like snail mail is doing to E-mail. Holla!

This Ppv will barely be better than the ghost.

Floyd ran too much and the casual fan doesn't spend a night paying for boxing to watch anyone run.

They want fireworks.

Floyd gave them little enthusiasm.

Canelo has a huge Mexican following.

\$70 Ppv crazy for a guy with no power and runs.

Radam G says:

I will say that the "Shadow" Al Haymon's big arse is hiding in plain sight more than me. But HBO, Da Manny and Da BobFather will get the fans and Big MONEY victory. Wow! Both Money May and Canelo had on their best height-increasing shoe lifts. Hehehe! Holla!

SouthPaul says:

The PPV price is absurd and so are the ticket amounts.

Should be no debate how Floyd is paying himself on the Showtime deal. They ain't paying 'em----- you the fans, its you folks financing his fancy lifestyle. The fan seated in he high MGM Grand Arena altitudes..it's his coin in that make it rain dolla'. Lmfao.

Anyhow, even doing a bit higher numbers than his last event ...or doing an insy bitsy less than a Top Rank extravaganza...which is futile to even debate with some of my boxing brethren Doesn't matter.....Canelo vs PBFi will create a very loud register chaaaaaaaaaaaaaaaaaaa--- Ching!!!!

Radam G says:

Ditto dat CHAAAAAAAAAAAAAAAAA-CHING, SP! Suckers are born every minute. Da Manny-Bam Bam Bout PPV will cost the Chinese patron \$5 a pop. And we arse expecting at least 800,000 pops.

Yank fans are getting ripped off by Showtime and GBP for the Money May-Canelo fiasco. It won't be the fireworks that are being claimed. I'm calling it now. Money May is going to make the superhype quit by round 10. The live gate will be a sellout and the fight will do 1.5 mil PPV payout even the \$30 a pop at the US movie theatres!

I'm a fan of Floyd but I'm not paying 70 dollars to watch him pot shot and move for 12 rounds.

I'm a fan of Canelo too but he doesn't have the skills or stamina to hang with Floyd.

His footwork is decent enough to keep him in the fight but Floyd pit shots him to a clear victory.

America sucks for this theft and inflation.

I'm a single dad here, I can't be throwing 70\$ down on these fights.

But if I'm buying any it'll be PAC beating rios half to death.

I hope he doesn't kill him.
