Joe DeGuardia- "When we (Star Boxing and Banner Promotions) signed Demetrius 5 years ago we said he'd be a world champion. We knew that Demetrius would get his opportunity and be able to show the world who the best junior middleweight is."

"However, Demetrius has no small challenge in front of him, between him and Vanes they have a combined record of 53-0. It's a fantastic fight, the winner becomes the WBO Champion and a real player in the division and in boxing."

"We're confident that Demetrius has prepared well and is ready for this opportunity."
