DANNY GARCIA:

"I am not coming here to lose my title. I am going to come and defend like always. It's not going to be easy. It's going to be a tough fight but I have prepared like I always prepare. I am ready to defend my title and win.

"I love being in Puerto Rico. I am so excited that they embrace me and I feel that I am giving back to my fans. I want to give them a good show.

"[On what we can expect to see from him on Saturday night] You can expect to see that same fast, powerful Danny. All excitement and they are going to leave knowing that they got their money's worth."

ANGEL GARCIA:

"It's a great honor for me to bring my son, the world champion, in front of our own people where I was born and grew up. I am back at home with my son performing.

"Training went great. It has been the same as the last 26 fights. We trained hard and we didn't change anything. Everything was the same. The same winning combination and we don't expect any different results. It's going to be a win."
