---

"That was a train wreck for JuanMa. I think 95% of us picked Garcia by KO but I didn't think it was gonna be that easy. What the hell happened to JuanMa? Was he never that good in the first place? Ruined by the two Salido fights? Garcia fought well, did what he had to do. He was always two steps ahead of Lopez. Utter mismatch." --The Roast didn't think it would be THAT easy
