

Legacy Lost?

Tuesday, 25 October 2011 20:35

So long Hopkins, it's been real. You got nothing to prove, Homie. I think you wanted out of the fight honestly and felt you couldn't handle the younger bigger stronger slick southpaw and would get hurt bad, outclassed and stopped or a onesided beatdown and lose all the accolades you got from beating Pascal. I saw quit in your face...resignment when the ref broke you 'n Chad against the ropes. It's cool though, you still my manz but that jive dealt a major blow to your image and legacy Hop...---Reader Real Talk lays it out for BHop
