

"Pacquiao has always been nothing more than an overrated, overprotected "fighter", whose fights have been cherry picked very carefully by Arum to make some serious money. I've been watching boxing since the mid 80's when Chavez defeated Mayweather (floyd's uncle)...and sad to see that the the once beautiful sport has turns into nothing more than a big fat business and a bad joke." --TSS reader "Cuervo" ain't laughin athat boxing has become
