

"Looking forward to this one. We got the P4P King vs. a top #5 P4P pugilist who have never been beaten without the cloud of suspicion or catch weight advantage. Two of the best in the game about to bring the pain, but when it's done..one top dog will remain. You know the name, get that lame hate out ya brain, the Money May come to clean up the sport of stains an I'ma leave it right here." --For Real Talk, it was time to rhyme
