

"Cotto's confidence seems normal to me. He's not a chest thumper nor is he a rooster walking around with his chest stuck out cawk- a-doodle-doo'ing. If he were ice cream he'd be vanilla when it came to these interviews. He might want to mix in a Red Bull but other than that he looks like he's ready to give it his best shot." --South Paul thinks Cotto could use some caffeine before his Face Offs
