"The Roast has reached the 1,000 post milestone, the Roast pulls the post out of the ground and holds it aloft ala Ricky Henderson. Flashbulbs pop, the fans go wild. The Roast would like to thank TSS and all the people who make this site what it is. Also I'd like to thank Radam G for being the Babe Ruth, Ty Cobb, and the Pinoy Pete Rose of TSS. I strive to help make TSS the best boxing site on the Net and with my TSS brothers we will continue in the love of boxing."
---We love you Roast!
