

"Redcoat Ricky was winning that fight. The urge to win will be too strong for him to leave the game alone. He will be back or will be haunted for life. BTW, Ricky was on his way to winning. I had him up by two points. Get over the heart break and do it again, go out a winner, or you will be disappointed for the rest of your life and a big sinner. Suck it up! Get back on that bucking horse and ride it until you tame it. Tame the game, before you quit the game. Holla!" --Rhymin' Radam says Hatton won't be able to stay away
