"I deliberately didn't pick a winner. No need...These guy are like a natural phenomenon when they fight.

Like a tornado, you can't calculate the damage until its over. Too bad there's a rift between TR and GB. GREAT potential for some interesting fights.

If Alvarado can continue to work on his movement and learn how to punch moving backwards, he'll beat Rios easy the next time. Rios hasn't changed a thing in regards to his approach to boxing since he beat Peterson's brother several years ago." ---2012 Reader of the Year Brown Sugar sees easier win for Alvarado next time against Rios
