

## "GGG Is A Straight Killer"

Tuesday, 02 April 2013 09:25

---

No need to box at range and roll and be slick. GGG is a grinder. He is a stalker. He is a one punch killer. If he can make 154 healthy then he beats Canelo and Mayweather. As long as he throws that left to the body all night. --Amayseng likes Golovkin to beat Mayweather and Canelo...not on the same night, though, we're assuming lol
