

"Manny should win, he's the better fighter, but at his age and what we've seen in his last two fights I give Rios a really good chance. Style-wise Rios seems made to order, but if Manny is deteriorating and Rios gets confident and gets on a roll, his pressure style and KO power could be a nightmare for the 2013 version of Pacquaio. I pick Pacquaio but he could be past the point where he can handle a strong, committed guy like Rios. Manny on points, but he could well get KO'd too." --Gibola is picking Pacman, with reservations
